REVISED ELECTION

Sir:

The undersigned thanks Examiner Kovalick for the courtesies extended in a telephone conference on Friday, December 5, 2003, in connection with this case.

In accordance with the telephone conference, Applicants hereby change their election in response to the outstanding Restriction Requirement, so that applicants hereby elect Group IV, without traverse. Applicants maintain their election of Species 5. The undersigned understands that this revision will permit more expedient examination of claims 1-13 in the case.

Applicants wish also to let the Examiner know that the date of "1/9/93" listed for Reference BC (Document 0 558 056 A1) was incorrect, and should have been "9/1/93". While the change of date is not believed to make any substantive difference, it is noted for the sake of accuracy.

The Examiner is encouraged to telephone the undersigned at the number given below, should there be anything which might be done to expedite prosecution of this case. Prompt examination and allowance of the case are earnestly solicited.

Respectfully submitted,

David G. Conlin
